Memo.

When the Dewan visited Melkotê in April 1897, the Temple Servants and other residents of the place represented to him that they were not now getting the full quantity of rice due to them under the Jasdik Patti but only so much as the money grant allotted therefor would fetch and prayed that as the quantity so obtainable was very small owing to high prices, some Government waste lands under the river Channel in the Channarayapatna Taluk may be registered

in the name of the Temple so that they may receive the entire quantity of rice due to them. In reply they were informed that the matter would be given due consideration.

2. When I had lately been to Chamarajapatna I inspected some of the useless tanks in that Taluk that had been ordered by the Government to be breached in 1897 and found that waste lands to the extent of about 125 acres were now available in the villages of Dodda Ganni, Nallur, Noranakki, Chicka Ganni, Agrahara and

Chittana Hoosahalli

If these lands are granted to the temple on Kandayem tenure it may be possible to allow the people the full quantity of rice due to them under the Jaadik

Memo

3. On the Statement submitted by me to the Dewan on the 23rd Ultimo with reference to a proposal to grant to the Sri Narayanaswami temple at Melkote some waste lands under the North Channel of Sri Ramadevaru Dam in Channarayapatna Taluk, the Dewan has been pleased to record an Order granting to the temple on Kandayem tenure the following lands:—

	Village.	Survey No.	Extent. A. G
1.	Doddaganni	69	21-11
2.	Nallur	138	15-38.
3.	Noranakki	22	29-6
		Total	66-15

4 This Statement has been forwarded to the Revenue Department for issue of necessary orders on the subject

5 It is, however, now requested, on behalf of the temple, that, instead of Survey No. 22 of Noranakki village, Survey No. 18 of Chikkalanni village and No. 95 of Kalenahalli village, both together measuring only about 15 acres or 14 acres less than the extent of the lands sanctioned in the Noranakki village, may be granted to the temple, as it is found that it will be more convenient to the temple to hold lands in the village of Kalenahalli than at Noranakki. None of these lands have been sold to other persons as the Dewan's Order, referred to above, has not yet been issued from the Revenue Department

The alteration is approved.

7. Upon an enquiry from this Office as to what action had been taken by the Comm.r, Mysore Dt with refce to the above, that Officer reported that the lands not being fertile, had not been taken possession of by the Amildar & that he was making enquiries to acquire suitable lands either in the Yedatore Taluk or Nanjangud Taluk.

the D.C comm.r, Hassan D.t,
reports that the lands are
not so unfertile as
D.C comm.r of Mysore thinks
them to be, for, he says
that the raiyats of Doddagaum
and Nallur have
to have these lands on a
favorable lease paying

the same time the upset price for the lands.

10. As regards the Darkhast of Abdul Satter, he has given a statement before the Asildar stating that if the lands are given to him on a perpetual lease for the consideration of 5000 seers of rice annually & the temple & the survey assessment, he would take up the lands & with his own expense bring them to the standard of cultivation This the Dy Comm^r says is opposed to Govt Res: no 1270 Mun 712-07 dy 9th Dec^r 07 which prohibits perpetual lease. And, the Dy Comm^r says that Abdul Satter is unwilling to take up the lands for 10 years. The

The D. Comm. further reports that some of the villagers of Doddagani & Nallur are willing to pay the upset price of the lands viz, Rs 2500/- and to pay Rs 6 per acre to the temple paying also the assessment on the lands. This comes to Rs 300 annually to the temple. Taking the same in terms of rice it would, the D. Comm. says, come to 3750 seers, whereas the Dar-Khastdar Abdul Sattar agrees to pay 5000 seers annually. But as he does not agree to pay the upset price of Rs 2500, the terms agreed to by the villagers of Doddagani & Nallur are reported to be more favourable

in the interests of the temple.

11. In a subsequent petn since received, in this Offie, Abdul Gaffer states that if it is not possible to lease out the lands perpetually to him as per his first Darkhast, the Govt may be pleased to lease them out for 25 years on condition of his paying 5000 Leers of rice to the temple annually & pay also the assessment to Govt.

Submitted to the Revenue.

The extent of the lands given to the temple is 52 acres at an upset price of Rs 50 per acre. This amount of Rs 2600 has not yet been paid to the Rev. dept.

One Aboul Kuffur offers to cultivate the lands for a period of 25 years and pay 5000 seers of rice to the temple and bear the assessment also, Rs 358. Some of the villagers of Koddaguni are willing to pay the upset price and pay rent to the temple at the rate of Rs 6 per acre exclusive of the assessment. The Dy. Commissioner is in favour of giving the lands to Mr. Thirumaraiya-Iyengar, referred by Amildar, who offers the same terms. In both cases the lands

are required to be permanently leased.

Recently, Govt. sanctioned the permanent leasing of the lands of the Irinjeyyed temple to one Krishnappa of Mysore. As per terms offered by him, he pays progressive rent for the first ten years and at the end of that period, pays at the rate of 6½ pallas of paddy per annum. At this rate, calculating at Rs 3 a palla, the income for 71 acres, comes to 71 × 6½ × 3 or Rs 1368, (omitting fractions) and after deducting Kandayam Rs 323, a net income of about Rs 1000 is left in favour of the temple. Taking Shiva-Narayana Iyengar's terms for the 52 acres of the Melkote Temple lands, the income will be 52 × 6 or Rs 312. As this however has to be added the assessment of Rs 358 and the interest on ~~Rs 2500 (or Rs 2600)~~ Rs 2600 which may be taken at 6 per cent per annum, Rs 156. The total income may therefore be estimated at Rs 826 for 52 acres, and it compares very well with the Melkote income

(7)

~~Rs 1136, about, for 7 acres~~

from the Vanjeruppu lands which at Thirumaraiyan's rate would yield about Rs 1136, while it is only about Rs 1000 at present. I therefore think that the Dy. Commr's recommendation may be sanctioned and the lands permanently leased to Thirumaraiyan on the terms specified.

After the issue of several Reminders, the D/Commr., now reports that Abdul Gaffoor is unwilling to accept the lease for a period of 20 years, but that Nimmaramenon is willing to accept it for 10 years and he recommends that the prayer of the latter may be granted. Nimmaramenon desires that a D.P.W. Officer should inspect the lands and advise him regarding certain improvements required to be done. The D. Commr. has subd a letter reporting under cover of his letter No 92 of 19th Sept. 1906 from which it appears that the lands have not been taken up on lease as yet. It is recommended that the lands maybe leased out to Abdul Gaffoor on either of the two conditions viz (1) to lease out the lands to him in perpetuity on his paying

the upset price, the assessment on the lands and delivering 5000 seers of rice annually to the temple & also rendering the lands fit for cultivation at his own cost or (2) to lease out the lands & him for 50 years on his paying the upset-price, assessment and Rs 6 per acre annually to the temple.

Sir,

With reference to your A
2583/150-92 Dated 23/29th June 1903, forwarding
for my opinion Mysore District —
Deputy Commissioner's letter in the
matter of lands in the Chennarayapatna Taluk which have been —

granted for the benefit of Sree Narayana Swami temple at Melkote Srirangapatam Taluk, I have the honor to state that from the report of the Chennarayapatna Taluk Amildar, I understand, the lands are not so unfertile as the Deputy Commissioner, Mysore District, thinks them to be. For it appears that the rayats of Doddagamii and Kallur have represented to the Amildar to have these lands on a favorable lease paying at the same time the upset price for the lands.

2— As regards the Darakhast from Abdul Gaffur received with the reference under reply, he has given a statement before the Amildar saying that of the

lands are given to him on a perpetual lease for the consideration of 5000 seers of rice annually to the temple. and the survey assessment, he would take up the lands and with his own expense bring them to the standard of cultivation. This is opposed to Government Proceedings No. 1270 Muz. J. 12-01 dated 9th December 1902 which prohibits perpetual lease. Thus as prayed for in his petition addressed to the Muzrai Secretary, he is not willing to take up the lands on a lease for ten years on the terms mentioned therein.

3— But the Amildar reports that some of the villagers of Doddagunni and Vallur are willing to pay the upset price of

of the lands, viz Rs: 2500/- and to pay Rs: 6/- per acre to the temple paying also the assessment on the lands. This comes to Rs 300/- annually to the temple. Taking the same in terms of rice it would come to 3750 seers. Whereas the Darakhastadar Abudul Gaffur agrees to pay 5000 seers annually. But as he does not agree to pay the upset price of Rs: 2500/— the terms agreed to by the villagers of Doddaganni and Vallur are more favorable in the interests of the temple.

Sir,

In continuation of my letter No 105 dated 15/17th August 1903 re the lands in the Channapatna Taluk which have been granted for the benefit of Sree Narayana Swamy Temple at Melkote Seeranga patnam Taluk I have the honor to submit herewith an application from the ryots of Gundlas Rd Tummanuru praying

praying that the lands may be given to him in perpetuity in return for the upset price of Rs 50/- per acre, the assessment on the land and Rs 6/- per acre annually to the temple.

2. Mr. Tirumaraneigar has found a village by name Srinivaspur in Dandigan halli Hobly and is paying an annual revenue of Rs 500/-. In my letter alluded to above, I have recommended that the lands may be given to the villagers of Doddagann and Nallur on the same terms offered by Mr. Tirumaraneigar but on a lease for a period of ten years only. Mr. Tirumaraneigar being a very respectable man, the interests of the temple will be secured and the grant of the lands in perpetuity to him would not

not be objectionable

withstanding that the lease is opposed to orders contained in Government Proceedings 1270 dated 9th December 1902, be in any way 712.07 injurious to the interests of the temple. I need therefore recommend that the Government will be pleased to treat this case as an exception and grant the lands to the applicant Rai Tarinamanjan in perpetuity on such other conditions as the Government may deem fit.

I have the honour to be

Correspondence ending with his letter No. 24/5, dated 9th December 1903, in re the leasing out for cultivation of the lands in the Chennarayapatna Taluk, granted for the benefit of the Sri Narayana Swami Temple at Melkote, Srirangapatam Taluk.

From the correspondence cited above, it is observed that offers have been received from (1) Abdul Gaffoor (2) M. Venkatanarayanaiyangar, Retired Dy. Tah

and (3) the villagers, ~~[illegible]~~ for the cultivation of the lands in question. The 1st, viz Abdul Gaffoor offers to pay 5000 seers of rice to the ~~[illegible]~~ temple and bear the assessment on the lands, on condition of their being leased to him for a period of 25 years. The 2nd viz Mr. Sivanarayanaiengar is willing to pay the upset price which amounts to Rs 2,600/- and also rent to the temple, at the rate of Rs 6/- per acre, exclusive of assessment on condition of the lands being leased out to him in perpetuity: The villagers also offer the same terms as the 2nd viz Mr. Sivanarayanaiengar.

2 With refee to the above, has the honor to state that Abdul Gaffor's offer is more profitable to the temple than the rest, according to the Govt. G.O. No. 1270 Miscl 12-01, dated 9th December 1902, which directs that when

offers for non-perpetual leases of lands are received, they should be preferred to any perpetual arrangement. The Deputy Commissioner is accordingly requested to report if the said Abdul Gaffoor is a respectable and ~~trustworthy~~ man and possessed of property. He will also make efforts to reduce the period of the lease to 20 yrs and report the result thereof to Govt at an early date, to enable them to pass final orders in the matter.

Sir.

Adverting to your Docket No. 3919
Muz: 150-92
of the 20th June 1904, calling for certain further particulars re leasing out, for cultivation, of certain lands in the Chennarayapatna Taluk, granted for the benefit of the Sree Narayanaswami Temple at Melkote, Sreerungapatna Taluk, I have the honor to state that it is reported by the Amildar of the Chennarayapatna Taluk that Abdul Gafoor referred to is a respectable person possessing some property and is also a member of the Chennarayapatna Municipality. It is stated that he is not willing to accept the lease for a period of 20 years as proposed in

on the Docket under reference as the lands are waste and require heavy cost to bring the Same under Cultivation

2. Whereas Mr. Terumarayanaiengar is willing to accept the proposed lease for 20 years provided that Competent Revenue and Engineering Officers inspect the lands of Chikkagamni and Arekalkalena-halli Villages with a View to advise him as to best method of repairing the Nala and diverting the Course of the halla running into the Tank of these Villages so as to drain off extra water from those lands and thus obviate possible Complaints from the Raiyats. He further states that if the above lands are cultivated those of the other 2 Villages might easily be brought under wet Cultivation.

3. Under these Circumstances, the prayer of Mr. Terumariengar may be accepted and the lease of the lands for 20 years may be ordered to be granted especially as he is a permanent resident of the Village of Srenivasapura which is near to these lands.

4. On receipt of Government Sanction

the desired inspection of the lands of Chikka ganni and Arehalkalemahalli Villages will be undertaken so as to afford facilities to the applicant for carrying on the proposed improvements mentioned in his petition

He has further stated that if the lands be given over to his possession in 1907-08 he would pay assessment on the lands from the ensu- -ing year.(Vide ferist No.47)

5. One Ramanna,contractor in Chennaraipatna Kasbe gave a statement before Mr.K.R.Srinivasa Iyengar (vide feris No.48) agreeing on similar terms to take up the remaining Doddaganni tank bed(including Doddaganni and Nallur lands) provided the upset price per acre be reduced from Rs.50/- to Rs.35/-. No mention is made therein of the period for which he is willing to accept the lease, but apparently for the -- same period of 20 years as in the case of Mr.Tirunarniengar. Mr.K.R.Srinivasa Iyengar in his notes of inspection called for an estimate from the Amildar concerning the cost which would be necessary for rendering this tank bed fit for culti -vation. The Amildar has not submitted the estimate called for. But from a rough calculation the Amildar ascertained -- that the initial cost would amount to Rs.583-2-0 (vide feris No.37) which Ramanna has agreed to defray himself and on -- this ground viz of his having to incur a large initial cost, he has prayed [illegible]ion of the upset price from Rs.50/- to Rs.35/- an acre.

6. It may be seen from the notes of inspection made by Mr.K.R.Srinivasa Iyengar that it is necessary to -- acquire

acquire a piece of land to breach the bund and drain off the water from the tank to render the lands of Chikganni tank bed fit for cultivation. The ryots (portions of whose lands are to be acquired) presented a petition to Mr.K.R.Srinivasa--Iyengar protesting against the acquisition on which he order--ed that it is necessary to acquire a small bit of land from the holding of the petitioners. The said ryots also addressed the Revenue Commissioner in the matter from whom Official Memorandum No.6880 dated 23-12-1907/4-1-1908 was received forwarding the petition for disposal or report, if necessary.

7. Petitioner Abdulgaffoor's offer extends to all the lands (situated in the four villages mentioned) endowed to the Melkote temple. But as reported in this -- Office letter No.105/S dated 15/17th August 1903, he gave a statement before the Amildar on 7-8-1903 (vide Ferist No.7) consenting to take up the lands on condition of pay--ing assessment on the lands ~~on condition of paying assess--ment on the lands~~ and delivering 52 Khandgas of paddy to the temple every year if the lease be for ten years, or to pay assessment on the lands and deliver 5000 seers of rice to the temple if the lease be in perpetuity. He therein pleaded his inability to pay the upset price on the lands demanded by Government. Again, in his subsequent statement before the Amildar on 15-10-1904, (vide Ferist No.15) he stated that on condition of paying the assessment and de--livering 5000 seers of rice, the lands may be leased out to him for a period of 25 years. A report was submitted to Government in this Office letter No.24/S (camp) dated 9th December 1903, and in reply thereto, docket No.3919/150-92 dated 20-6-1904 was received, and a further report in this Office letter No.701/S dated 26-2-1906/1-3-1906 was submitted to Govern--ment.

8. Petitioner Abdulgaffor in a petition present--ed to this Office on 2nd July 1908 (which is enclosed for reference) prays

prays that all the lands may be leased out to him on either of the two conditions, viz, (i) that if the lands be leased out to him in perpetuity he would pay the upset price fixed by Government, the assessment on the lands, and deliver 5000 seers of rice annually for the benifit of the temple and would also render the lands fit for cultivation at his own cost, (ii) that if the lands be leased out to him for 50 -- years, he is willing to pay the upset price, assessment, and Rs.6/- per acre annually for the benefit of the temple and would pay the upset price in five equal annual instalments.

9. On consideration of the foregoing particulars the offer of Abdul Gafoor Sahab appears to be more advantage -ous to the temple, but seems to be opposed to the spirit of Government Order No.1270/Muz.F.12-01 dated 9th December 1902 relating to the grant of such lands in perpetuity or even on long leases. If it be decided by Government that his -- offer cannot, on this account, be accepted, ~~the~~ the offers of Mr.Thirnarraienger and Contractor Ramanna relating to the lands of the respective villages as particularized above, may be accepted.

10. The Vernacular papers ending with General Assistant Commissioner's Yadi No.1889 dated 17-6-1908 to- -gether with the petition of Abdul Gaffoor Sahib presented to me on 2nd July 1908 are herewith submitted for reference of return.

I have the honour to be,

Sir,

Your most obedient servant,

M.H.Wetherall
